## > Ropella Industry Expertise

Foundries are a substantial piece of our infrastructure, and many have fully embraced the movement towards improving and reversing humanity's effects on the environment and on one another. From utilizing strategies to keep emissions within tolerance levels to developing reclamation processes to re-purpose molding materials, foundries are focused on shrinking their carbon footprints both inside and out.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.
