> Ropella Industry Expertise

As an energy efficient, sustainable, and versatile material, the demand for fiberglass continues to rise. This material combines advantages from across the spectrum, from light weight, strength, flexibility, and durability, making it ideal for diverse applications including building materials, protective gear, and a variety of vehicular components, from helicopter rotors to automobile parts and even entire car bodies.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.
