## > Ropella Industry Expertise

Industrial detergents — the first “I” in “HI&I” — are a major market category covering cleaning supplies used across industrial applications, including chemical, pulp and paper, paints and coatings, and textiles. Corporations utilizing these cleaners need to know that their use will comply with governmental regulations and sustainability initiatives, while still delivering on effectiveness and cost-efficiency.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.

## > Our Solutions
