Ropella Industry Expertise

As soap and detergent manufacturing moved from a process done primarily in the home to an industrialized consumer product, it also evolved from an art into a science. Today, a variety of technical and scientific skills are needed to ensure the consistency of final products, and to continue to research new, more efficient methods to create these essential household products.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.

Our Solutions

With over 35 years as a global search leader, delivering the most advanced search execution capabilities, Ropella 360 has proven many times over, to be extremely well-versed at solving the most challenging "needle in a haystack" searches. While at the same time managing talent selection and development as a primary asset for ROI.

As a bestselling author of The Right Hire and a highly experienced practitioner, Patrick Ropella developed the SMART Search SystemSM, regarded as one of the most well respected, Talent Centric Executive Search Solutions available.
