> Ropella Industry Expertise

As we move into a new age of space exploration that now includes private and commercial ventures, we are focused on supporting future exploration and growth through global acquisition and hiring within all areas of this exciting industry.

Hiring top talent is a number one priority for the companies we serve who address the needs of engineers, scientists, and allied professionals who conceive, develop, test, design, construct, and operate air and space vehicles, as well as all associated systems and subsystems that support this unique industry.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.

> Our Solutions

With over 35 years as a global search leader, delivering the most advanced search execution capabilities, Ropella 360 has proven many times over, to be extremely well-versed at solving the most challenging “needle in a haystack” searches. While at the same time managing talent selection and development as a primary asset for ROI.
