The SMART Search SystemSM

The Recruitment Process At Ropella 360

Ropella 360 attributes its success to our proprietary 12-step recruitment process: The SMART Search SystemSM. The SMART Search SystemSM has revolutionized hiring in the same way Six Sigma revolutionized manufacturing, driving quality and speed of recruitment.

Through the SMART Search SystemSM, Ropella provides clients — including major companies such as Nike, BASF, Benjamin Moore, Bite Beauty (Louis Vuitton, Moët Hennessy), Duracell and Tate & Lyle — with precise and predictable hiring results unparalleled within the search industry.

SMARTSM Search System

Recruit smarter. Not harder.

Ropella 360 has invested more than 35 years researching best practices, developing our own tools and continuously improving our SMART Search SystemSM. We provide our clients with precise and predictable hiring results unparalleled in the search industry.

Stage 1 | SMART Strategy and Launch

- 1**  **Aligning Expectations**

Before taking on a new assignment, Ropella aligns expectations to ensure we're partnering efficiently and effectively. We discuss the hiring process, evaluate the research needed, and review the overall search strategy within the hiring team.

- 2**  **Search Strategy Conference**

To ensure that Ropella presents your opportunity effectively, we conduct a comprehensive Search Strategy Conference to discover critical company information (its cultural dynamics and management style), the available position, and key strategic opportunities/issues you wish to capture (or resolve). We identify the preferred companies and best titles to target (with our strategic research partner Xcavate), ensuring that best-in-class information research methods are being utilized to uncover those highly coveted, passive, A-player candidates.

- 3**  **Opportunity Marketing Piece**

Our team designs a custom-created Opportunity Marketing Piece that is used to attract the best passive candidates. This comprehensive 6- to-12-page pitch book promotes your companies most attractive features (i.e., products, markets, culture description, management style, position description, and location overview).

- 4**  **Skills Survey**

We create a custom skills and experiences application based on the must-haves for your opportunity. This allows us to identify and select the most qualified "A" and "B" candidates for submission ("C" candidates are set aside to avoid wasted time).

- 5**  **Scorecard**

All candidates are thoughtfully screened during the interview process and assessed based on skills and experience, cultural dynamics, management style, compensation, and relocation fit.

- 6**  **Assessments**

We assess past performance (as well as corporate and team cultural fit) with various personality, communications, and leadership-style profiling tools. We also offer pre-hire, function-specific assessment tools, and on-the-job testing exercises.

Stage 2 | SMART Recruiting and Interviewing

- 7

Recruiting

Comprehensive recruiting campaigns are conducted to source, target, and recruit the highly-qualified, passive candidates. Top selections are then submitted for interviews, as we cultivate relationships between our clients and candidates.
- 8

Interviews

As you interview and evaluate the first slate of candidates, Ropella continues to recruit and build an additional slate of optional candidates (preventing momentum loss and unnecessary delays).
- 9

Candidate Interview Debrief

After each interview, we debrief with candidates to ensure the opportunity continues to be the right fit for their career.
- 10

Hiring Team Debrief

After each interview, we debrief with the hiring team to discuss candidates as we continue to move through the interview and final selection stages.

Stage 3 | SMART Hiring and Onboarding

- 11

References and Background Checks

We offer a variety of reference-checking options. Harver is a unique and highly productive web-based tool we prefer to use on most searches.
- 12

Compensation Benefits and Relocation Assessment

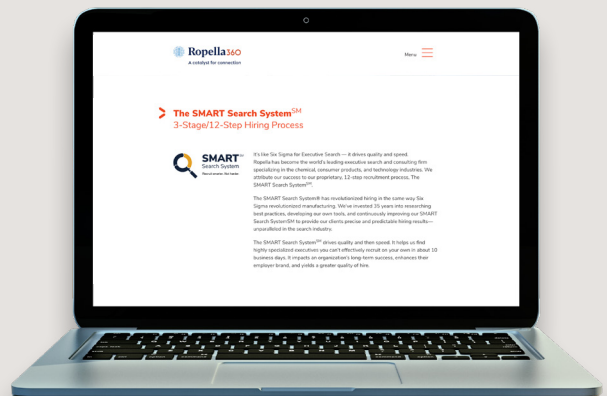

Ropella's proprietary Compensation Comparison Calculator compiles a variety of complex earning factors into a concise Offer Strategy Summary, thus ensuring that clients don't lose the perfect candidate to any other counteroffers (or competitors).

About Milton and Northwest Florida

Nestled off Northwest Florida's beaten path, Milton is an unspoiled destination for those seeking adventure and natural beauty. As the county seat of Santa Rosa County and one of Florida's oldest cities (incorporated in 1844), Milton strikes a fine balance between small-town charm and modern urban life. The city hosts numerous events throughout the year, such as the Scratch Ankle Festival, First Friday, Bands on the Blackwater, and various art shows along the river walk.

While many visit the Emerald Coast for its white sand beaches, Santa Rosa County's crown jewel is the Blackwater River State Forest. Historic downtown Milton provides easy access to the tea-colored, sand-bottom river, offering nearly 40 miles of canoe routes. For those seeking a break from the water, the area features hiking, biking, and horseback riding trails, including a special trail for bird watchers.

Milton offers diverse shopping options, from popular chain brands to locally-owned specialty shops. Larger shopping malls can be found in nearby cities like Pensacola and Fort Walton Beach/Destin.

Established in 1559, Pensacola holds the honor of being "America's First Settlement" with a rich cultural history. Known as the "City of Five Flags," Pensacola has been ruled by Spain, France, Great Britain, the Confederate States of America, and the United States. Visitors can explore 19th-century homes, the 1832 Old Christ Church, or the Naval Aviation Museum.

Pensacola is also famous for being home to the Blue Angels, the second oldest formal flying aerobatic team globally, performing from March to November for over 10 million people. From the world's largest artificial reef to picturesque walking trails, visitors can enjoy various outdoor activities.

Pensacola hosts numerous outdoor annual festivals throughout the year, including the Crawfish Festival, FooFoo Festival, Blue Angel Homecoming Air Show, Great Gulf Coast Arts Festival, and New Year's Eve Pelican Drop. Sports fans can indulge in golf, watch the Blue Wahoos (AA affiliate of the Cincinnati Reds) or the Ice Flyers (Southern Professional Hockey League), and enjoy DII UWF Football. Art enthusiasts can explore the Saenger Theatre, Pensacola Little Theatre, Pensacola Museum of Art, Historic Pensacola Village, or Pensacola Lighthouse.

East of Pensacola lies the relaxed beach community of Navarre, nestled between Gulf Islands National Seashore and Navarre Beach County Park. This community offers solitude and simplicity, with activities such as sunbathing, swimming, picnicking, and biking along a scenic path.

A haven for avid fishermen, the Navarre Beach pier is Florida's longest fishing pier, stretching 1,545 feet. Here, visitors can spot schools of fish, stingrays, and dolphins in the crystal-clear waters. Time seems to move slower here, allowing both visitors and residents to take a break and relax.

For additional shopping and outdoor fun, the cities of Destin and Fort Walton Beach are a short distance from Navarre. These areas offer recreational fishing fleets, jet skis, parasailing, and swimming with dolphins. Destin Commons and Silver Sands Outlets provide access to national chains, a bowling alley, a movie theatre, and various restaurants.

Alternatively, Downtown Fort Walton features skate and surf shops, high-fashion boutiques, and other specialty stores to cater to every taste.
