## > Ropella Industry Expertise

Success in the analytical testing laboratories and services industry requires precision and a strong focus on innovation. These companies provide on-demand scientific services — from research & development and impurity analysis to quality control and sanitation compliance — for a variety of industries, including chemical, food and beverage, pharmaceuticals, and cosmetics and personal care.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – the Team with the Best Talent Wins Especially so, in fast growing organizations.

## > Our Solutions

With over 35 years as a global search leader, delivering the most advanced search execution capabilities, Ropella 360 has proven many times over, to be extremely well-versed at solving the most challenging “needle in a haystack” searches. While at the same time managing talent selection and development as a primary asset for ROI.

**SMART**<sup>SM</sup>  
Search System  
Recruit smarter. Not harder.
