> Ropella Industry Expertise

The modern shift of markets to health and environmental consciousness offers both opportunities and challenges to the biocides industry. In all segments — from insecticides and slimicides to antibacterials and preservatives — new formulations must be developed to utilize natural substances with increased target effectiveness, more efficiently eliminating potential threats while mitigating the risk of harmful side effects to humans, pets, and ecosystems.

Ropella 360's mission is to build lasting relationships between high-potential a-player talent, backable executives, board members, SMEs and transformational leaders. Our primary goal; providing ROI value towards growing the great companies we invest our time, talent and treasure into.

Building teams worldwide, in all functional areas and at all levels, with the best possible talent is one of the highest priorities for transformational leaders – because we all know – **the team with the best talent wins**. Especially so, in fast growing organizations.
