Supporting Ropella Clients

“Ropella took the time to understand our company culture and unique needs and worked tirelessly to identify and vet potential candidates that were a great fit for our organization. Thanks to their diligent efforts and expertise, we were able to find an outstanding CFO who will make a significant positive impact on our organization. I highly recommend Ropella to any company seeking to fill key leadership positions. Their commitment to excellence and dedication to their clients make them a true standout in the industry.”

“Ropella’s process is highly efficient and of the highest quality. They are well networked to find and place high-level talent quickly. Further, it has been my pleasure to recommend Ropella for searches. They’ve delivered high-quality candidates 100% of the time. Also, Ropella has successfully marketed my own candidacy for board positions in private equity companies. They are well respected by client companies when presenting candidates for potential opportunities. In my view, Ropella’s performance as a search firm is among the best in the industry.”

William J. Harvey

“Thank you for all of your work on the search – it was well done, and the outcome is great. We look forward to continuing to work with you to add more talented team members to LBB Specialties.”
